Careers Guidance Seminar

FINDINGS OF AN OFFICIAL REPORT:

A report issued by the UK Government in Sep. 2017 found that young Muslims are less likely to succeed in the labour market than any other faith group.

Remember:

- Muslim youth need high-quality career guidance to make informed decisions about their future.
- Good career guidance is a necessity for social mobility.
- Our young people without significant social capital or home support to draw upon have the most to gain from high-quality career guidance.

Fact:

It takes a lot more to succeed in the labour market than simply studying hard at school.
